Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Indiana Association for Community Economic Development, Inc. dba Prosperity Indiana and its Affiliate, which comprise the consolidated statements of financial position as of December 31, 2021 and 2020, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Indiana Association for Community Economic Development, Inc. dba Prosperity Indiana and its Affiliate as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Indiana Association for Community Economic Development, Inc. dba Prosperity Indiana and its Affiliate, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Indiana Association for Community Economic Development, Inc. dba Prosperity Indiana and its Affiliate's ability to continue as a going concern for one year after the date that the consolidated financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Indiana Association for Community Economic Development, Inc. dba Prosperity Indiana and its Affiliate's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Indiana Association for Community Economic Development, Inc. dba Prosperity Indiana and its Affiliate's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Nature of Association

Indiana Association for Community Economic Development, Inc. ("IACED"), d/b/a Prosperity Indiana (the "Organization") builds a better future for our communities by providing advocacy, leveraging resources, and engaging an empowered network of members to create inclusive opportunities that build assets and improve lives.

In August 2017, the Organization formed a wholly-owned, single-member LLC entity called Prosperity Indiana Fund, LLC. The entity was formed to be a non-depository financial entity to primarily provide financial assistance to nonprofit entities in designated Investment Areas with the purpose of improving the economic capability of disinvested individuals and communities in the State of Indiana.

The Organization seeks ways to fund members and their work, build and retain relationships, and address local to national issues impacting the capacity of members and their potential to deliver services and lead change in their communities. The Organization has two classes of membership-voting membership for nonprofit organizations and associate membership for governmental organizations, private enterprises, quasi-governmental organizations, and individuals. The organization impacts: communities, by promoting Comprehensive Community Development efforts across the state, which includes addressing social determinants of health and encouraging inclusive growth; organizations, by improving member capacity to impact communities and individuals and track the progress of their efforts; and individuals, by fostering innovation in financial capability and asset building strategies and increasing opportunities to access resources. Driven by values of empowerment, integrity, impact, collaboration, and social justice, Prosperity Indiana seeks to REAP prosperity to strengthen communities (people and places). REAP stands for Resources, Engagement, Advocacy and signature Programs.

Resources: Prosperity Indiana is dedicated to providing members with helpful tools to advance their work. Resources include consulting services, trainings, a resource library, and funding. Training and technical assistance are aligned services to build the capacity of community economic development practitioners and the organizations employing them. The Organization delivers a robust program of training for member organization staff and others in the community development field. Training topics address the diversity of technical and adaptive knowledge necessary to manage organizations, exercise leadership, and deliver outcomes. Technical assistance is long-term, one-on-one consulting support. Staff provide a depth of experience and knowledge. The Organization provides technical assistance in the following categorical areas: board governance, financial management, planning, program/project development and delivery, resource development, staff development, and staff management services. The Organization's role of funder primarily includes securing pass-through grants to support member projects, including leveraging state and national partner resources available for this purpose. The Organization also serves as the fiscal agent and program manager for member initiatives to help launch innovation.

Engagement: Prosperity Indiana utilizes a number of strategies to accomplish community building and connecting to network and unite members. This includes the Organization's blog and social networks, the monthly Piece of the PI newsletter, peer-to-peer convenings, a mobile app and membership directory, an annual summit and leadership awards, and regional member meetings. The organization also accomplishes connectivity and advocacy goals through coalition building efforts.

dba Prosperity Indiana and Affiliate**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

1. Nature of Association - Continued

Advocacy: Advocacy and policy engagement are important parts of a successful community economic development framework. The Organization's advocacy work strengthens members by building relationships. It enhances members' skills and capacity to understand their own policy environments, large and small, and to communicate their values and priorities to their elected officials and program administrators. It enables front-line practitioners to have their voices heard in policy debates. The advocacy function organizes members and supporters around a policy agenda, builds and maintains strategic partnerships with allies to advance this agenda, and monitors and explains trends in policymaking to members.

Programs: Prosperity Indiana leads or co-leads a variety of signature programs to meet its mission around providing advocacy, engagement and resources to members. Current initiatives include:

Community Loan Center: The Community Loan Center Affordable Small-Dollar Loan Program (CLC) is an alternative to expensive payday loans. Prosperity Indiana is the Indiana statewide coordinator for the CLC program. Support includes helping these organizations raise lending capital. Thirty (30) counties in Indiana are currently served by a local CLC lender.

Empower Indiana: In partnership with CareSource Foundation, Prosperity Indiana conducted the Empower Indiana Grant challenge in 2019 that awarded nearly \$100,000 to nonprofit organizations actively addressing social determinants of health. All projects, but one, were closed out in 2020. The one remaining project, which met all program goals in 2020 but worked to expand program outcomes beyond what was proposed with the same level of resources, was closed in 2021.

Envision Collaborative: Envision Collaborative combines training, coaching, and technical assistance to expand the impact of comprehensive community development. This holistic approach engages residents, nonprofits, government, and other stakeholders in developing and implementing strategies that affect quality of life.

Hoosier Housing Needs Coalition (HHNC): The Hoosier Housing Needs Coalition was formed by members of Indiana's housing security advocacy community in April 2020, to support advocacy and education related to housing and homelessness prevention in response to the COVID-19 pandemic. Staffed by Prosperity Indiana and funded through grants from the National Low Income Housing Coalition, including ERASE funding to End Rental Arrears to Stop Evictions, HHNC continues to convene partners from across Indiana to advocate for immediate, medium- and long-term housing stability policy solutions and conduct education and research to achieve federal, state, and local policies for an equitable response and recovery to the pandemic and beyond.

Hoosiers for Responsible Lending: Publicly launched as Hoosiers for Responsible Lending (HRL) in September 2021, this consumer protection coalition advocates for solutions that address predatory lending at the state and federal levels. This group is Indiana's advocacy driver for 36% rate cap bills for payday loans.

Housing4Hoosiers: Housing4Hoosiers, a program of Prosperity Indiana, is an affordable housing resource to promote educational information about housing options and tenant and landlord rights and responsibilities in Indiana. Funded by a grant from the Herb Simon Family Foundation, the goal of the program is to ensure Hoosiers have safe, affordable, and stable homes they can count on in their community. "Renting in Indiana: A Handbook for Tenants and Landlords" is housed on the Housing4Hoosiers site. Prosperity Indiana acquired this program from former member South Central Indiana Housing Opportunities with the vision to expand its role from Monroe County-focused to a statewide resource.

dba Prosperity Indiana and Affiliate

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

1. Nature of Association - Continued

Indiana Assets and Opportunity Network (“A&O”): Co-led by Prosperity Indiana and the Indiana Institute for Working Families, the A&O Network strives to increase asset acquisition for low-wealth Hoosiers and strengthen local economies through policy advocacy and capacity building. A&O advocates for economic security issues, such as housing, child care, food, transportation, and health care.

Opportunity Investment Consortium: Prosperity Indiana is a training and resource partner for the Opportunity Investment Consortium. The purpose of the Consortium is to encourage the transformation of Opportunity Zone neighborhoods into vibrant places that are sustainable for both residents and businesses.

Opportunity Starts at Home: The goal of the Opportunity Starts at Home - Indiana Coalition (OSAH-IN) is to achieve ambitious increases in affordable housing – through existing and new housing infrastructure; and direct support to organizations that assist those who are unstably housed or homeless. The Indiana coalition works in conjunction with NLIHC’s national campaign to expand voucher supports that fund deeply targeted housing assistance for extremely low-income households, including vulnerable populations, such as youth, seniors and those with disabilities. The coalition will also seek to implement policy change to reduce federal and state barriers to housing stability.

Outcomes Platform: Prosperity Indiana acts as the statewide reseller of licenses for InsightVision, a cloud-based strategy management system that hosts the Organization’s Outcomes Platform. It addresses two critical areas of outcome analysis for Prosperity Indiana members: 1) Organizational performance and 2) Collective impact strategy.

2. Basis of Accounting

The consolidated financial statements have been prepared on the accrual basis of accounting.

Net assets, support, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. While most gift instruments give the Organization’s Board of Directors the right to vary the terms of the gift, this only allows for a limited right of modification and does not relieve the restrictions imposed by the donor. Accordingly, the net assets of the Organization are classified and reported as follows:

Net assets without donor restrictions - Net assets available for use in general operations and not subject to donor restrictions. The board of directors has designated, from net assets without donor restrictions, net assets for an operating reserve, capital reserve, and board-designated endowment.

Net assets with donor restrictions - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

3. Cash and Cash Equivalents

The Organization's cash consists of checking, savings and money market accounts with three financial institutions. The Organization maintains its cash in bank accounts which, at times, may exceed federally insured limits. To date, there have been no losses on such accounts.

Indiana Association for Community Economic Development, Inc.
dba Prosperity Indiana and Affiliate

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

4. Accounts Receivable

The Organization's policy for determining when receivables are past due is on a case-by-case basis. Amounts are considered uncollectible at the time management believes that satisfactory payment arrangements cannot be made. For the years ended December 31, 2021 and 2020, an allowance for uncollectible accounts is not deemed necessary.

5. Grants Receivable

Grants receivable includes reimbursements and unconditional promises to give, and is reported at net realizable value. All amounts are expected to be collected within one year, and none are considered uncollectible as of the years ended December 31, 2021 and 2020.

6. Property and Equipment

Property and equipment are stated at cost. Donated property and equipment is reflected as a contribution in the consolidated financial statements at its estimated fair market value. It is the Organization's policy to consider a donor restriction of or for long-lived assets satisfied when the asset is purchased and put into service. The Organization's capitalization policy is \$500 for assets purchased with an estimated useful life of 3 years or more. Depreciation is provided using the straight-line method over the estimated useful lives of the assets ranging from 3 to 10 years.

Expenditures for property and equipment and for renewals or betterments which extend the originally estimated economic life of the assets are capitalized. Expenditures for maintenance and repairs are charged to expense. When an asset is retired or otherwise disposed of, the cost and accumulated depreciation are removed from the accounts and any gain or loss is included in the Consolidated Statements of Activities. Projects in progress are not depreciated until the asset is placed into service.

7. Concentration of Risk

The Organization receives a significant portion of its support and revenue from various sources. The percentage of support and revenue received from those sources is as follows:

	<u>2021</u>	<u>2020</u>
Funding sources:		
Lilly Endowment, Inc.	22%	25%
First Financial Bank	6%	
Flagstar Bank	5%	
Fifth Third Bank		7%
Central Indiana Community Foundation, Inc.	8%	
National Low Income Housing Coalition	16%	14%

8. Functional Allocation of Expenses

The costs of providing programs and other activities have been summarized on a functional basis in the Consolidated Statements of Activities. Accordingly, certain indirect costs have been allocated among programs and other activities based on percentages of staff time spent.

Indiana Association for Community Economic Development, Inc.
dba Prosperity Indiana and Affiliate

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

9. Support and Revenue

Contributions are recognized when the donor makes a promise to give to the Organization that is in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the financial year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Support funded by government grants is recognized as the Organization performs contracted services under grant agreements. Government grant revenue is recognized as earned when eligible expenses are incurred. Government grant expenditures are subject to audit and acceptance by the granting agency. Adjustments would be required for any disallowed expenditures.

Funding is primarily provided through government agencies, foundation grants, contributions and membership dues. The Organization also receives fees for consulting services, such as strategic planning, community engagement, research, board training, and program design and management assistance. Revenue from fees for services is recognized when earned.

10. Tax Status

The Organization recognizes a tax benefit only if it is more likely than not the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized will be the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax benefit will be recorded. The Organization has examined this issue and has determined there are no material contingent tax liabilities.

The Organization's federal and state exempt organization tax returns for 2018, 2019, and 2020 are subject to examination by the Internal Revenue Service and the Indiana Department of Revenue. Returns are generally subject to examination for three years after they are filed.

11. Use of Estimates

The preparation of consolidated financial statements, in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE B - OPERATING LEASES

In May 2018, the Organization entered into a lease agreement for office space expiring in November 2025. Minimum office space lease payments are \$19.60 per square foot per year until May 2019 and increase by \$.040 per square foot per year every 12 months thereafter. Total rent expense for the years ended December 31, 2021 and 2020 was \$32,961 and \$32,353, respectively. Future minimum lease payments are as follows.

Year ending December 31, 2022	\$	33,348
2023	\$	33,983
2024	\$	34,618
2025	\$	29,325
2026	\$	-0-

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE C - PAYROLL PROTECTION PROGRAM

Promissory notes were obtained as part of the Paycheck Protection Program (the “PPP”) under Division A, Title I of the CARES Act, which was enacted March 27, 2020. Funds from the promissory notes may only be used for payroll costs, costs used to continue group health care benefits, mortgage payments, rent, utilities, and interest on other debt obligations. Under the terms of the PPP, certain amounts of the promissory note may be forgiven if they are used for qualifying expenses as described in the CARES Act. The Organization received \$75,000 and \$88,100 through PPP during the years ending December 31, 2021 and 2020, respectively. Each note was fully forgiven and included in support and revenue for the years ended December 31, 2021 and 2020.

NOTE D - NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consist of the following:

	<u>2021</u>	<u>2020</u>
