

2018 Prosperity Indiana Summit & Statehouse Day Request for Session Proposals

Due: October 2, 2017, at 5 pm ET

The 2018 Prosperity Indiana Summit will be held on January 24, 2018, at the Sheraton Indianapolis City Center Hotel. The focus of this annual gathering of Prosperity Indiana's members and partners will be the intersection of community health and community development. Strengthening our communities requires us to consider the ways that people and their environment interact with one another since the health of one is intricately intertwined with the health of the other. Conditions in the places where people live, learn, work, and play affect a wide range of health risks and outcomes. These conditions are known as social determinants of health.

Prosperity Indiana is seeking session proposals that align with this theme of community health and community development. There will be nine 1-hour-long breakout sessions during the Summit. Proposals should address at least one of the following Principles of Healthy Communities:

- Leadership
- Vision
- Collaboration
- Services
- Education
- Culture
- Safety
- Environment and Transportation
- Housing
- Business Diversity
- Economy
- Wealth Creation and Retention

Sessions should be non-promotional in nature. Session proposals are encouraged to have more than one speaker from more than one organization.

Session proposals are due October 2, 2017, at 5 pm ET. Please complete the attached form and submit electronically to rmattingly@prosperityindiana.org. Additional information and registration is available at <https://www.prosperityindiana.org/summit>.

Session Proposal Form
