NOTICE is hereby given by the Department of Metropolitan Development (DMD), that responses to the Request for Information (RFI) regarding the Redevelopment of the Twin Aire Shopping Plaza and Drive-In Site are due by 5pm, November 11th, 2022.

01. GENERAL INFORMATION

The City of Indianapolis (City) through its Department of Metropolitan Development (DMD), and in partnership with the Health and Hospital Corporation (HHC), is issuing this RFI to inform potential development of the sites described above (Sites). Submissions may be used to inform a future City of Indianapolis disposition or Request for Proposal. The City is issuing this RFI to discover the interests and ideas of the community with respect to future development of the Sites.

Project Background

In 2018, the City of Indianapolis broke ground on the Community Justice Campus which will bring together community partners dedicated to a modern, holistic, data-driven approach to the Indianapolis justice system. The campus features the Assessment and Intervention Center, a mental health and addiction treatment center addressing critical root causes of detention and recidivism, an Adult Detention Center, the Marion County Sheriff's Office, and the Marion County Courthouse. The campus will soon become the home of the Marion County Public Defender Agency, the Marion County Coroner's Office, Marion County Superior Court Judge's Offices, and the Marion County Forensics Agency. This nearly \$1 billion investment in critical City-County government infrastructure will bring nearly 2,000 + full time jobs to the Twin Aire Neighborhood, along with thousands of visitors to the campus daily.

The Twin Aire Shopping Center (currently under the ownership of HHC) and Twin Aire Drive-In Site (currently under the ownership of DMD) represent an enormous opportunity for a cohesive redevelopment to meet increased demand for services complementary to the Community Justice Campus, public sector employees, visitors to the campus, and existing area residents. Twin Aire and its adjacent neighborhoods represent one of the most racially, culturally, and economically diverse regions in the City of Indianapolis. Any redevelopment of the site should be inclusive, address needs of current residents, and create opportunities for local business owners and entrepreneurs, while also bringing new investment into the community.

Redevelopment of the Sites is intended to provide space for community non-profit service providers, jobs skills training, and new housing opportunities in keeping with the theme of community informed, holistic criminal justice reform.

02. PROJECT SCOPE

The Twin Aire Shopping Plaza: The Property is an approximately 12.66 acres commercial lot located on the southwestern corner of East Pleasant Run Parkway North Drive and Southeastern Avenue, located at 2901 Southeastern Avenue, Indianapolis, Marion County, Indiana 46203, (local Parcel #1096188; State Parcel #49-10-08-146-009.000-101). The Site is occupied with the following as per the Marion County Property Record:

- One (1) building of approximately 66,444-square feet (built in 1953), which includes 1,494-square feet utilized for utility/storage, 5,600-square feet by First Bank, and 59,350-square feet for general purpose.
- One (1) building of approximately 6,600-square feet (built in 1963) utilized for general purpose.

The Twin Aire Drive-In Site: (local Parcel #1042599; State Parcel #49-10-08-146-001.000-101) The Property is an approximately 28.69-acre lot with no improvements. First developed in the 1940's for residential use, and in the 1950's as a drive-in theater until 1997. The current is vacant land with no structures. Relatively flat with down-gradient slope towards the south. The United States Department of Agriculture web soil survey for Marion County indicates 94.6% Udorthents, cut and filled, 1.2% Urban land-Crosby-Treaty complex, fine loamy subsoil, with 0-2% slopes, and 4.2% Urban land-Miami complex, 0-6% slopes. The Miami series has a parent material of silt loam and well drained.

See Exhibit 2 for more information.

Firms are encouraged to provide a vision for the site as a whole or propose a creative use for a specific section of either the Twin Aire Shopping Plaza or Drive-In Site.
